

2011-2012 Meet Schedule

Below is a list of meets the Bullets will be attending, as well as some information on each meet. More information can also be found on the team web site under Events/Meets by clicking on the desired meet. Be sure to take note on the Registration Deadline for each meet. No changes will be made to our entry after that date...so be sure to sign your swimmer(s) up prior to the deadline. All families will register for meets this season using the online Meet Sign-up. The sign-up login can be found on the home page of the web site or in any one of the meet descriptions we have posted on the Events/Meets page. You may select one or multiple meets at a time when signing up. Once you have finished your meet registrations, you will be receiving a confirmation email with a \$0 balance. This can be a bit misleading. Please remember that families will be billed for their entry into the meet once the registration deadline closes. Entries fees are non-refundable. Please contact Todd Capen, Mike Laurich, or Bill Schalz if you have any questions.
