

**Please take a moment to read this lengthy, but important note:**

As part of our commitment to the Bullets, each family participating in our hosted swim meets is asked to bring a small donation for the concession stand or hospitality room. These small, individual contributions, are important to running a successful meet!

This meet is run at two different pool locations: 12& under swimmers compete at Marmion Academy, while the 13& over and open swimmers compete at the Vaughan Athletic Center. Some families will swim at one location, other families will have swimmers competing in both locations during the meet.

Most of the donations listed are used at Marmion for the concession stand and hospitality room. Fewer items are needed for Vaughan hospitality. In order to help families with donation drop offs, the list is divided into three sections. **Your family name will only appear once.**

**If you have a swimmer at Marmion (even if you have other swimmers at Vaughan) your donation drop off will be at Marmion, in the kitchen, the first session you attend.**

**If you are competing at Vaughan Center only, and swimming on Friday nite, your donation drop off will be with a Bullet parent, Michael Rankin.**

He will be parked, in a black pickup, at the "back circle" entrance to the Vaughan Center (the entrance door furthest away from Indian Trail Rd).

**If you are competing at Vaughan Center only and not swimming on Friday nite, your donation drop off will be at the Volunteer check in at Vaughan, the first session your swimmer attends.**

Please scroll down this list to find your family name (donations are one per family). Donations are due the first session you attend at your location. A copy of this list will be available for you to check your name off when you drop off your item.

**Marmion Donations - dropped off at the kitchen at Marmion**

**All families with swimmers competing at Marmion. (If you have swimmers at Vaughan and Marmion, donations come to Marmion.)**

Athlete Name	Donation
Ahrens, Josh	1 multi-pack (12 or 20 count) individual packages chips or pretzels
