Relays – We have a number of relays throughout the meet this weekend. We have relays swimming both in the morning and during finals. Relays are decided by the coaching staff at the meet.

Meet Information – Below is a breakdown of each day’s events, warm-up information, and start times. Please be sure to be on time for warm-ups. It is important swimmers be on deck on time so that we can secure the proper amount of lane space for all our athletes. Make sure you allow enough travel time on Friday AM. Apparel – Swimmers should be wearing the shirt of the day (listed above) and Bullets clothing throughout the weekend. Swimmers in the Top 8 of an event and on the awards podium will need their shirt of the day and their Bullets warm-ups. All swimmers will receive their “Black Champ Shirt” at the meet. The “Blue Team Shirt” is the team shirt from this summer season. Swimmers should wear tech suits for the meet; however these suits must be from Speedo as they are our team sponsor.

Time Trials – Time trials will be offered after prelim sessions as long as there is enough available time. Swimmers will need to sign-up on their own prior to 11:00am each day. Time trials will cost \$5.00 per event. Please note – daily event limits apply to the time trial entries. Please speak to one of the coaches at the meet if you have any questions.

Parents - Please stick together and cheer all our Bullets on through prelims and finals. It would great if all our parents would sit in the same area and wear Bullets clothing. If you don’t have Bullets apparel (or don’t want to wear the same thing each day) any navy shirt would be great.

We want to wish the best of luck to all our swimmers this weekend as this is a fast and exciting Senior Championships.
